

ABOUT US

Akeso MedSpa is a Florida Corporation that provides aesthetic medical services to patients. This medspa is created under the idea of being a full-service aesthetics medspa, Created under the idea of being a full-service medspa, Akeso is founded by a determined and dedicated professional who has 25 years of medical experience in the OB\GYN field, fellowship-trained in minimally invasive surgery with the use of laser, laparoscopy, and DaVinci robot.

MISSION

To become an integral part of our client's health, not only externally but also internally. We respect the diversity and the beauty that makes everyone unique in their own way. We put ourselves as a brand that makes an unforgettable difference in people's lives. Our goal as Akeso Medspa is to maintain the original beauty and only enhance it, so everyone can look and feel like the best version of themselves

ENTRUST YOUR HEALTH TO AN EXPERT!

MEET THOMAS TOUSSAINT MD, FACOG & GYNECOLOGIST, OB-GYN

Our founder and medical director, Dr. Thomas Toussaint, MD is a Urogynecology & Reconstructive Pelvic Surgery Specialist in Ocala, FL.
